Subject: Re: EPA Access Order for Burley Demolition Asbestos Site

Follow up,

Richard, I spoke with Steve McRae, and he said he did speak with Brad Roberts and the matter seems to be sorted out and Diconia should be able to sign the consent. Mr. McRae will be providing that to Diconia in the morning and we will get it back to you as soon as we can.

Thanks

Richard,

As I mentioned to Stephen Ball, you are welcome to enter the site to clean it up. Diconia LLC can't sign anything formal until we get clarification from Brad Roberts (EPA Criminal attorney). We are not sure when that clarification will come, but in the mean time, please feel free to do whatever with that site.
